Re: Witness Unavailable Dates and Request for Date Certain
Docket No. 2017- 207-E; Docket No. 2017-305-E; Docket No. 2017-370-E

Dear Mr. Butler:

SCE&G's witness, Kyle Young, is unavailable the week of November 12, 2018. His wife is scheduled to give birth that day and he requests leave from the hearing to be present with her that day and for the balance of the week. For that reason, we would request a date certain for his testimony of November 19, 2018 carrying over, if necessary, to November 20, 2018.

Further, our nuclear construction expert, Mr. Kenneth Petrunik, is designated to testify on a panel with Mr. Young. Mr. Petrunik will be traveling out of the country as part of his consulting activities and will be unavailable after November 20, 2018. We would ask for a day certain Mr. Petrunik for a day certain of November 19, 2018 carrying over to November 20, 2018.

Please let us know if we can provide anything further.

Sincerely,

/s/Belton T. Zeigler
